## introduction

You struggle to wake up, searching for the alarm that's flashing **6:30**. You bury yourself in your pillow, but your mom's shouts to "wake up" are relentless. You trudge out of bed, clean up, get dressed, grab a quick bite to eat (if time permits), and run out the door. What has you in such a rush? An exhausting 6-letter-word, commonly referred to as **school**.

This is the routine that many of us conform to for 12 years of our childhood. At an early age, we already have something in common with our parents- a dizzying schedule, which parallels going to work. But there's one major difference. From kindergarten to senior year, we are all learning valuable lessons, both inside and outside the classroom.

Upon entering high school, we begin to understand that our actions speak much louder than they did when we were children; they're telling us what types of young men and women we are becoming. To some, school might seem purposeless, but there is no denying the fact that it helps us explore who we are. At times it seems like our lives revolve around school. But in actuality, school is a foundation, a starting point that allows us to connect. All of us are different and school brings us together. When the final bell rings at 1:47, many of us play sports, attend clubs, work, volunteer, or spend time with family and friends. These experiences prepare us for living in a world that isn't governed by bells, but a world that is built on connection and expression.

A lot happened in 2008 that is not covered by the 140 pages that follow, but a look back at the school year "*through our eyes*" can remind the graduating class how much we really have learned.

The 2007 'Stucklings', many of whom will be graduating this year, annually participate in Relay for Life to raise money for cancer research.

Ben, Jon, Dan, Joe, and John break out their tubes to go sledding on the only snow day of 2008.

Carl, Tim, Kat, Susie and Kevin spend a summer day on Bassett's Island.

Zach, Josh, Stephanie, Joe, Sam, Emily, and Emma take the day off from school to attend the Red Sox parade in Boston after the 2007 World Series win.

Amanda, Kayla, Hunter, Alyssa, Sam Danielle, Christina, and Alexis camp out on Saggy Beach for a bonfire.

Hannah, Andrea, Nicole, and Danielle smile at a "CEO" themed party over Christmas break.

Sam, Jade, Lauren, David, and Jackie relax on the beach.

Rachel, Melinda, Sara, and Kathleen show their scars, in character at the Harry Potter midnight premier.

Courtney, Brittany, and Taylor pose at a Red Sox game over the summer.

The "sunglasses" motif will reappear throughout the yearbook whenever there is a student contribution or feature...

Well this is my bio, I'm not sure what to put. It's not like I can describe myself and my time here in just a few words. I guess this is my goodbye to this school and this time in my life. I won't say I'll miss it cause I don't know if I will. Maybe I'll miss it all or maybe I'll find something better. Well it was fun at times and at times it wasn't so fun. School is to prepare you for life, well my prep-time is done. I'm off to the big scary world. Goodbye and good luck to everyone.

Peace and love to Holly, Jenny and Jerry

### Forever JoJo

Here today and gone tomorrow  
We are filled with so much sorrow,  
For we have lost a child today,  
And wondering why God took him away.

Why did this happen to a little boy,  
Who brought to his family so much joy,  
With his laughter, smile and frown,  
He was always joking and fooling around.

With his face of an angel and warm brown eyes,  
He went off to heaven, in the blue sky,  
To be "Forever Young" in the arms of God,  
And leave his life here on Cape Cod.

So cherish the moments that we share,  
With those we love and hold so dear,  
And live each day like it were you last,  
For when it is over all we have are the memories of the past.

**Poem By: Lisa A. Kelley**

In March, the Sophomore class held a benefit dance in support of Sam Para and Children's Hospital. Funds were raised through donations and ticket sales. Nearly 100 BHS students attended the event at the Weary Traveler's Club and it was a huge success. The Para family extends their thanks to all those that contributed.

# Nye Grant

The Grace Swift Nye Grant is an endowment that has been provided to Bourne High School since 1995. It is used to enhance the educational offerings for our high school students. Staff members submit requests describing how they would like to enrich the curriculum through guest speakers, special presentations, field trips, after school programs, teacher development workshops, and the purchase of additional materials. It is an inspiring and invaluable program that benefits every student and faculty member at Bourne High School.

During the 2007-2008 school year, more than thirty requests were approved. The grant continued to support after school activities such as the **Photography Club**, the **Drama Club**, **Film Making Activities**, the **Advisor/Advisee** program, the **Bourne Public Access Channel**, and the **Spanish Club**. The Nye Grant provided in-school workshops like **Shakespeare & Company**, a **Health Fair**, and an intergenerational community project "**One Book, One Bourne**". Students took part in numerous field trips including the **Northeastern University Building Bridges Program**, **Genetic Update Conference**, **Tsongas Industrial History Center**, **Harvard University School of Medicine Warren Museum Brain Exhibit**, Criminal Law class visit to the **Barnstable County Correctional Facility**, **Museum of Fine Arts**, **Hispanic Flamenco Ballet**, **Cyrano de Bergerac**, **Mystic Aquarium**, **Federal Reserve Bank of Boston**, and the **CSI Exhibit at the Museum of Science**. Nye funding also enabled staff members to participate in professional development programs.

The Nye Grant enriches the educational experience of all our students thanks to the foresight and generosity of alumna, Grace Swift Nye.

# Advisor

# Advisee

For over five years, the Grace Swift Nye Grant has generously supported Bourne High School in conducting an advisory program for all grade nine students. All freshmen entering the high school are assigned an advisor to work with throughout their first year in high school. The advisor may be a teacher, administrator, or assistant teacher who begins over the summer to help the students adjust. The program is designed to give freshmen and their parents an adult to connect with and use as a resource as they transition to the high school.

Thirty minute meetings are scheduled periodically to discuss school related topics such as academic expectations, study skills, and career and personality profiles. There are also three hour-long team building sessions when advisee groups gather for class-wide interactive activities. The Advisor/Advisee program also encourages the importance of building strong character and leadership skills and emphasizes community service.

During the spring and early summer, advisors contact their advisees to schedule a time to meet and tour the high school. This meeting is an informal way for you to get to know your Advisor and to ask any questions a student may have. Advisors can be valuable resources and parents are encouraged to communicate with their child's advisor throughout the school year.

Students meeting with their advisors to discuss important issues that surface during their Freshman year (left). Freshman Field Day (right), as it has come to be called, is a team building workshop that takes place once in the beginning and once at the end of the school year. Students are randomly paired to work together in order to accomplish a series of fun activities. This is just one of the many invaluable skills that the A/A program helps to cultivate.

## Eye on

The 2007 Baseball team was one of the most successful teams to go through BHS. They finished with 17-7 record and made it to the South Sectional Finals in the State Tournament. Early in the season, the Canalmen struggled to work together, but following an upset win in Wareham, the team cooperated, and also realized they were one of the best teams in the SCC. As the season continued every member of the team stood out - on the mound, in the field, or at bat. Each player had years of experience which was a key to their success. The Canalmen had 3 players named to the SCC All-Star team: Keith Bilodeau, Scott Bukoski, and Steve Tkowski. As Coach Ashworth always said, "Hit it with 'strength'", and that is exactly what the Canlamen did.

The 2007 Boys Lacrosse season was certainly a memorable one. Throughout the season the seniors showed strong leadership. Captains Ryan Linn, Jeremy Hunt, and Justin Dube only improved as the season went on. The boys fought hard during the regular season, earning themselves a #13 seed and a preliminary round bye. During the playoffs, in a thrilling triple overtime game, the Canalmen upset the #5 seed with the help of one blazing shot by Mike Pope. They went on to lose to the #4 seeded team, but ended up having the most successful season that any Bourne High School Boys Lacrosse team has ever had. Congratulations to the boys on a great season!

## to reLAX...

With a 9-1 league record, the 2007 Girls Lacrosse team won the first official Maritime League Championship and earned a spot in the MIAA tournament. Captains and ML all-stars, Jade Antonangeli and Kaitlin McCabe lead the team in scoring. Captains, Amanda Hester and Liz McRoberts provided a strong, united defense. ML all-star, Colleen Grant received the Unsung Heroine Award as goalkeeper. Colleen Kent was awarded the Sportsmanship Award for both BHS and the ML. When asked about the 2008 season, Coach Ziehl commented, "We have a strong group of returning players that are focused and determined. I am looking forward to another successful and rewarding season."

## *Game, set,*

During the 2007 season, the Boys Varsity Tennis team came to a crossroads. They had lost 4 of their starting seniors, from an only 7 man line up. They had won 2 SCC titles in the last 2 years, but from the start, the team knew that it was a rebuilding year, and still managed to pull out an 8-12 record. Coach Thomas said, "Success is not always measured in wins and losses". Despite the substandard record, the team always sought to play better, and marked improvements were evident throughout the line up. Carl Forziati started at #1 singles, Joe McCabe started at #2 singles, and the #3 singles slot alternated between Dan Pardee, Kevin Pidgeon, and Tim Parsons. Doubles play included John DeBoer, Sam Finnerty, and Kevin Horihan.

## match...

The Girls Varsity Tennis team split their season even with a 10-10 record. Their was some stiff competition in the SCC, but the girls still had a fantastic season and qualified for the MIAA State Tournament after winning their final match. In the playoffs, the girls pulled off a 3-2 stunning preliminary round upset over the heavy favorite, Chatham. They lost in their next match against the #2 seed. The team was led by singles stars Liz Ragone, McKinley Nickerson, and Lindsey McMorrow, and doubles stars Carrie Forsberg and Amanda Johnston, and Shauna McNally and Emily Mazzola. The team is sure to shine in the 2008 season when their starting lineup will be composed of almost all seniors.

# Track '07

The 2007 Boys Spring Track team was lead by Aaron Held, Chris Cantalupo, and A.J. Moloi (who set a school record in Javelin). At the most important meet of the season, Steve Malone finished 3rd in the Triple Jump and 4th in the Long Jump. During the season, there were many personal improvements by other athletes including: Jared Held, Tyler Stephens, Chen Zheng, Troy Cutler, Harry Goulart, Matt Gould, Ricky Dermody, and Sean Gibbons. In the last weeks of the season, Chris Cantalupo placed 8th in the Eastern Massachusetts Decathlon Meet becoming Bourne's highest finisher.

## On and off the field...

The Girls Track team had an outstanding personal best on their Track & Field events. Their mission was to improve times and distances to qualify for the South Coast Conference Meet held at the end of the season. Throughout the season, every athlete on the team set personal goals and focused on accomplishing them. The outcome was entirely favorable. Although small in number, the girls still displayed sportsmanship and integrity at every event. The entire team qualified for the SCC Meet and Andrea Crowley qualified for State Meet in the 400 meters.

## Different strokes...

The Varsity Canalmen finished second in the South Coast Conference this season. Led by captains Joe McCabe and John DeBoer, the team worked hard and demonstrated qualities of determination and persistence as they won key matches against Apponequet and Dighton Rehobeth. Old Rochester proved to be a nemesis as the team fell to the conference champs twice. Junior, Brittany Weddell held the number one position throughout the season boasting the lowest scoring average, and senior Mark Fitzmaurice rounded out the line up at number six. The Canalmen placed second in the South Coast Conference Team Championship and senior, Kevin Pidgeon, tied for first place individually with a round of 75. With a 14-3-1 record, the Canalmen qualified for the State Tournament at Easton Country Club. Jon Escobar was a medalist for the team which catapulted them into a third place finish, qualifying them for the Division II State Finals. Scott Cody filled a key role, helping the team finish in the middle of the pack for the tournament. As a result, the Canalmen found themselves as one of the most successful golf teams in Bourne High School history.

## "Head, heart

Although the Bourne-UCT Canalmen earned a 3-8 record in a rebuilding season, 5 of the 8 losses were by 7 points or less including a double overtime heartbreaker to Dighton-Rehobeth. They gained valuable experience for future seasons. Captains Chris Robbins, Ricky Silverberg, Bobby Songer, and Bobby LaMarche helped close out the season with an almost perfect game on Thanksgiving Day, losing 14-8 by 3 inches from the goal line! SSC All-Stars included Joe France, Ricky Silverberg, Rich Walling, and Derek Fortes. A congratulations goes out to the Canalmen, who never backed down against any of their competitors. One, two, three, "Bourne/UCT Pride".

# Football

For those of you who were able to get up early enough to see the Canalmen square off against their rival in the annual Thanksgiving Day Game, it was truly a site to behold. It was their last regular season game, and Coach Stuck said, "They all saved their best for last." The defense did unbelievably well holding the Vikings, who had 110 points in their previous three wins, to only two touchdowns. The offense rallied as well, nearly upsetting the Vikings in the 14-8 heartbreaker. Wareham needed a goal line stand with 2 seconds on the clock and the Canalmen were *inches* shy of the win. It was a great effort in the seniors final game!

This season's football cheerleaders had their best finish in the South Coast Conference competition. Captains, Shannon Carney and Courtney Ellis both worked very hard to keep the squad on their toes. Coach Throckmorton and Coach Kelley awarded Shannon Carney as their MVC, Breanna Rogers as the most improved, and Kapree Edwards the sportsmanship award. Although they were only a three woman squad, the basketball cheerleaders had a great time this season. Many of the spectators didn't even notice that they were so few in number because all of the girls brought double the spirit.

## Bump, set,

After graduating 8 seniors from the 2006 State Finalist Volleyball team, the word around town was that this would be a rebuilding year. Someone forgot to tell that to this year's 2007 Lady Canalmen Volleyball team who finished the regular season at 15-5, earning the sixth seed in the MIAA Division 2 Tournament. Lead by senior captains Courtney Faria and Rachel Sullivan, the team grew in experience and confidence with each passing game. Returning starters Bethany Ashworth, Meghan Donovan, and Julia Amaral continued to build on their strong play from last year. Amanda Chilson and Taylor O'Connor stepped on the court for the first time as starters and quickly contributed at a high level of play. Audrey Clark, Caitlin Laubenstein, and Kaitlyn Stuck added tenacious defense while Brittany Walsh, Kelsey Hannon, Hannah Gasper, and Kelly Lyons contributed to the powerful offense. These girls exemplified what teamwork and believing in yourself is all about.

# Volleyball

The 2007 Bourne Volleyball team completed another great season for the Lady Canalmen. Starting off the season young and inexperienced, they quickly grew into a force to be reckoned with. Finishing the regular season at 15-5 and seeded 6th in the South Section. The Lady Canalmen tore through the preliminary rounds beating D/Y 3-1 and Case 3-0 before having to face a very tall, #2 seed Bishop Feehan. Bourne came away from that tough match with a 3-2 victory. In the South Sectional finals they faced rival, undefeated Fairhaven who had accounted for 2 of Bourne's losses during the regular season. In a battle of wills, the Lady Canalmen pulled off the upset of the season knocking off Fairhaven 3-2 to advance to the state semi-finals against Central Catholic. Bourne beat Central Catholic 3-0 before losing to Westboro in the State Finals.

## Bend it like

The JV team had a fantastic season losing just one game all year! The Varsity team had a final record of 10-8-4 and an outstanding season. They qualified for the state tournament in the final week of the season and ultimately finished as the South Sectional Semifinalists in the MIAA State Tournament. Along the way, Bourne caused many upsets. As the 20th seed, Bourne beat the 13th seed, Norwell, in a close 3-2 victory. They then went on to capture a 5-4 victory over the 4th seeded South Shore Christian Academy, and then defeated Bristol-Plymouth, 6-3. In a nail-biting game with the 8th seeded East Bridgewater, Bourne finally suffered a 2-3 loss after playing their hearts out.

## Beckham...

The Girls Soccer team completed the season with a 10-5-4 record and a trip to the MIAA tournament. Coach Ziehl says, "This team had a tremendous amount of talent and experience which brought a great deal of success to the field." The offensive scoring was dominated by Anna Schrader and Captain Jess Perry. Ally Perry and Tayla Harrington controlled the midfield setting up plays and making assists. On defense, Lindsey Rice controlled the back third of the field with help from Liz Sorenti and Captain Kaia Wiley. Goalkeeper and captain, Courtney Donovan did a great job protecting the net with an 82% save average. Overall, the Lady Canalmen tied 3rd in the SCC. Schrader was BHS MVP, and Wiley earned the SCC Sportsmanship Award. Coach Casey-Frase commented, "As for next year, we have a strong nucleus of players that are determined to succeed."

## Goin' the distance...

Both the Boys and Girls Cross Country teams had great seasons, finishing with the same record (5-3). The teams anticipated doing well from the beginning of the season, and when they did lose a meet, it was never by more than 1 or 2 points. The Canalmen and Lady Canalmen struggled with numerous injuries that took place throughout the season. Though they were major obstacles, the teams were able to overcome their setbacks and meet success. When it came time to compete in the State Tournament, Bourne fell to the tough competition, but enjoyed participating with such talented runners from all over the state. Among those runners that stood out were Emily Johannessen and Barry Araujo, the teams' most improved runner. Kat Ragone and Jimmy Duane each received all-star awards for the South Coast Conference. The teams were led by Billy Duane and Kat Ragone.

## Slap

The Boys and Girls Varsity Ice Hockey team made an impressive showing in their regular season. They were successful in their bid for the South Coast Conference Championship and made it to the State Tournament. Compared to last season, where the Canalmen weren't able to break .500, the boys really came out on top this time. Though they had a slow start, the team's newcomers and its veterans quickly picked up the pace to win almost all of their last games. Undefeated in the SCC, with an 11-6 overall record, it's obvious the Canalmen overcame any initial difficulties. The team had some tough competition, squaring off against opponents like Sandwich in the annual Canal Cup. But the Canalmen always stayed neck and neck throughout the games. Leading the team were captains Billy Duane, Joe McCabe, and Ben Gilbert along with fellow seniors Josh Bevilacqua, Dan Fox, Ashlyn Devaney, and Pat Look. The team made it to the South Sectional Quarterfinals before losing to Silver Lake in a close one.

# Ice Hockey

This year, the Canalmen unfortunately fell to their rival, Sandwich, in the annual Canal Cup. Bourne fans still came out in masses and the bleachers and floors were filled on both sides. Everyone knows that the Canal Cup is always a fast paced, high stakes game, where the winner gets to keep the coveted trophy. It changes hands every few years, but don't be mistaken, the Canalmen didn't give it up willingly. Like in most of their games, they stayed with their opponent to the final buzzer. Their 4-0 loss was not representative of the team's talent. Joe McCabe was named MVP for Bourne and graciously accepted the silver (right).

## Nothin'

To date, the Boys Basketball team has played extremely hard. The Canalmen have really excelled in their ability to press and run and their group intensity isn't reflected in their league standing. In fact, the Canalmen have been up against some very tough South Coast Conference competition, including their rival, Wareham, who in the second meeting fell short in only the last few seconds of the game. Senior captains, Eric Robbins, Chris Robbins, and Steve Tkowski have brought leadership to the Canalmen and Coach Ashworth knows they're not going down without a fight.

Almost halfway into the season, the Girls Basketball team has already turned things around from their shaky start, and currently has a 5-3 record. With a new coach, the team dynamic has really changed. "This year's focus is defense and it has been improving every game," says new coach, Mr. Sullivan. "I am blessed with athletic girls who are unselfish and willing to learn that combination is the key to the season." The girls have their sights set on the state tournament, and if they continue to improve, it is no doubt that they'll make it there. This year's Freshman and JV teams show promise, and there will be several floating players. Mr. Sullivan says, "Bourne Girls Basketball will make some noise very soon!"

# S P I R I T W E E K

Every year, Bourne High School has a Spirit Week that counts down the days to the Homecoming Game. Each day has a different theme that is voted on by the Student Council. The week began with **Class Color Day** (top left). As always, the upperclassmen had it the easiest, and the underclassmen were instructed to wear colors that you don't usually see in the closet. Seniors wore blue, Juniors wore red, Sophomores wore orange, and last but not least, the Freshmen class was asked to wear plaid. On Wednesday, it was **Movie Character Day** (bottom), and the costumes were outrageous. It was no surprise to walk by Daisy Duke or the legendary "Ron Burgundy?" in the hallway. On Thursday, it was **Sports & Hobbies Day** (top right), and everyone had the chance to dress up in their favorite sports gear or in some cases, fan club gear, celebrating Pokemon or Harry Potter. On Friday, the week concluded with **Purple & White Day** (next page) and the fall sports Pep Rally, which is always a school favorite. BHS never seems to fall short in spirit, because after all, we wear purple, and we're proud of it!

# Spirit Links

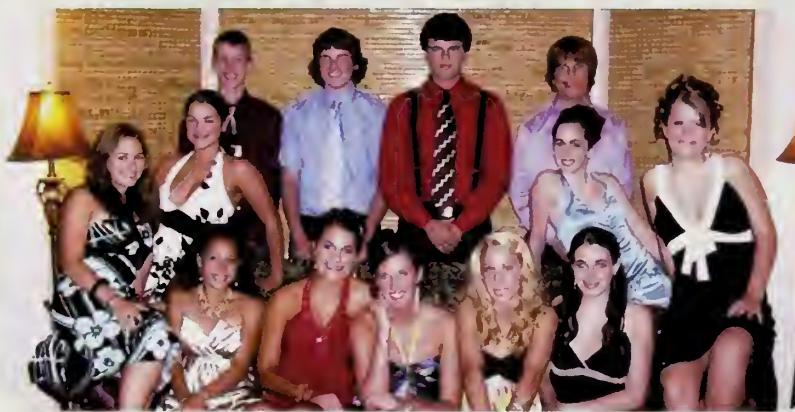

The seniors ended up winning the spirit links competition with hundreds of blue links. The juniors weren't far behind with their red chain, but the sophomores and freshmen struggled to create any kind of chain out of orange and plaid. All the proceeds from the fundraiser went to support the StuCo.

27-15  
Bourne Case

Bourne High School came down with jungle fever this year, both on and off the field. The Canalmen played great and ended up defeating the Case Cardinals while the floats paraded around the track at halftime. After a slow first half, Bourne-UCT kicked things off in the third quarter forcing the Cardinals three-and-out, and scored twice to take a 20-7 lead. An interception in the last few minutes sealed the game, 27-15. The Jungle Fever theme was captured on the class floats and the wilderness came life with giant vines, elephants, monkeys, and even Tarzan. The seniors boasted the first place float, but all of them showed creativity and Bourne spirit.

For the second year in a row, representatives  
were sent to the Student Advisory Council, a  
workshop aimed to improve student councils.

Bourne High School employs the democratic process to elect students to the Student Council, a group committed to bettering the school and the community. Acting as a voice for students, the Council gives a variety of opinions the chance to be heard. The Council devotes itself to creating a positive school environment, planning events like the Talent Show, Spirit Week and holiday celebration. Each week, members volunteer at the Bourne Food Pantry. Money made from fundraising goes toward community benefactors to help members of the Bourne community.

# Yearbook Committee

**Editor** Carl Forziati

**Advisor** Ms. Voyer

**Staff** Jen Gilbert, Sara Phillips, Brittany Degnan

**Cover** Sam Crawford

**Business Manager** Hunter Kerr

**Credits** Ms. McDonald- for helping us out when we were in a jam. *The Bourne Enterprise*- for some amazing sports candids. Andrea Flannery, Kayla Ruggiero, Alyssa Lopez, Michelle Giovannoni, Luke Heart, and all those who contributed photos, write-ups, and a hand here and there. Thank you.

The Yearbook Committee is responsible for, as its name suggests, creating the annual student yearbook. Though the beginning of the year looked hopeful with 11 participants, the staff quickly dropped to 4 before the half way point. Being on yearbook could quite possibly be the most stressful, time consuming extra-curricular activity because it lasts for nearly 7 months, split up by 4 painstaking deadlines. Gathering photos, creating layouts, designing the ladder, typing write-ups, collecting advertisements, and getting sales are all essential in producing a successful yearbook. We hope that you appreciate all our hard work and effort. Enjoy!

**Mission Statement:** the Environmental Club at BHS will strive to create projects that:  
-help preserve the BHS environment  
-promote awareness among the student body  
-inspire others to adopt a greener lifestyle

One of the major goals of the club this year was to create a mission statement (left). Among its other goals were to take steps to increase the availability of recycle bins for paper and bottles. Joining the Green Team of Mass. provided them with 50 bins and 5 carts to recycle. Another vision was to create a newsletter, called EcoGeek, which shows how the faculty can reduce the impact that their classes have on the environment.

This year's Math Team is the most spirited and enthusiastic group of kids to participate since the team came into existence a few years ago. They have done well competing across the Cape and each member brings something unique. Their new purple pi uniforms are a testimony to their dedication to math. Who would have thought such a thing was possible?

# SADD/Peer Leadership/ Diversity/Interact

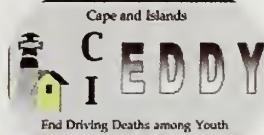

SADD/Peer Leadership/Diversity/Interact (International Action) is an assembly of groups that work together to raise awareness for various causes and local charities. This year, Bourne's SADD program hosted the Cape & Islands EDDY presentation on teen driving. An assembly was held in the auditorium to remind many of our new drivers how dangerous it can be out on the road. The annual Clothes, Shoes, and Boots Drive was held in December by Interact. Interact also collected coin donations for Pennies for Patients as a school wide fundraiser throughout March. In April, the SADD group will fund a new 3 Screen Presentation on the dangers of driving impaired. This is one of the most important issues the group addresses, especially since Prom and Senior-Semi follow soon after. Finally, in May, Diversity will be hosting the Cape & Islands Youth Summit. Through these fundraisers and presentations, BHS is exposed to many ongoing teenage issues.

Interact collected coin donations for *Pennies for Patients* during the month of March to raise money for the Leukemia & Lymphoma Society.

# Mr. Gibbons,

Bourne High School wishes you the best as you enter retirement...

In a previous century, as newspaper advisor.

The "3 Amigos". Mr. Gibbons will be joining retirees, Mr. Weston and Mr. Gray.

the Bourne High Dispatch, class advisor, director of yearly drama productions prior to the formation of the Drama Club, and as a chaperone for school trips abroad. In 1991, Mr. Gibbons left the classroom to serve as the Assistant Principal where he has remained through this year.

We thank Mr. Gibbons for his many years of dedication to Bourne High School. May he enjoy his well deserved retirement traveling the world without the worry of what the students are up to....especially on ski trips.

Handling a student issue, or working on dinner reservations?

# Troy Labrie

Congratulations Troy!  
The Road To Success Is Always Under Construction!

May the good Lord be with you  
down every road you roam  
And may sunshine and happiness  
surround you when you're far from home  
And may you grow to be proud  
dignified and true  
And do unto others

As you'd have done to you  
Be courageous and be brave  
And in our hearts you'll always stay  
FOREVER YOUNG

May good fortune be with  
May your guiding light be strong  
May you never love in vain  
And in our hearts you will remain  
FOREVER YOUNG

When you finally fly away  
We'll be hoping that we served you well  
For all the wisdom of a lifetime  
No one can ever tell  
But whatever road you choose  
We're right behind you, win or lose  
You're the BEST!

Forever Young, Rod Stewart

### Kevin Pidgeon

In everyone's life there are moments of pride and accomplishment that are remembered forever.

Through the years, you have set goals and met each challenge with enough courage and determination to overcome the many obstacles that you've encountered along the way.

Success is not measured by how well you fulfill the expectations of others, but how honestly you live up to your own expectations.

Because you have been true to yourself in the pursuit of your dreams, you have earned this moment and the right to be proud of your accomplishments!

Chapter II starts here! Go for the gusto Kev and remember, "Where you go, go with all your heart."

We love you and are so **very** proud of you!

It seems like only yesterday  
we tucked you in at night,  
whispering a prayer of thanks  
for another day of having  
you in our life.

Not so long ago,  
we were putting your baby teeth  
out for the tooth fairy,  
and reading you stories  
until you fell asleep.  
It feels as though you  
grew into a beautiful young  
lady overnight.

you"

Billy,

It was such a quick journey from that first day at Sunshine Schoolhouse to your senior year at BHS. Throughout those years you have made us so proud of your accomplishments. You have grown into a remarkable, bright, and confident young man with a great sense of humor and an infectious smile. We wish you all the best as you begin your next adventure in life. Have fun and stay focused and you will be sure to succeed.

Congratulations!
